

ARE Mid-Atlantic Annual Retreat June 9 – 11, 2017

Location ~ This year's retreat will again be held on the rolling, 323 acre, tree-lined campus of Shepherd University in historic Shepherdstown, situated in northeastern West Virginia on the banks of the Potomac River. For those with web access, www.shepherd.edu is the place to start for all sorts of facts, maps, directions, and other information about the university and surrounding areas.

Check-in ~ Friday from 4-6:30 p.m. at Shepherd University Student Center.

Lodging ~ All rooms are air-conditioned, dormitory-style, 2 long-twin beds to a room and a shared hall bath. The residence hall has 3 floors and **no** elevator. First floor rooms are limited. If you need a room on the first floor for health reasons, please register early. The university provides linens and towels. However, **you must bring your own pillows and blankets**. For those who might consider residence hall living a bit too "rustic", close-by commercial lodging is available in town. The university website has links to several facilities.

Meals ~ A sandwich buffet will be available to **all** during Friday check-in. There will be 3 meals served on Saturday (breakfast, lunch and dinner) and breakfast only on Sunday. Please indicate on the registration form which type of meals you want; vegetarian, vegan or meat.

Cost (per person) ~ A.R.E. members deduct \$10 per member
Early registration deduct \$15 more

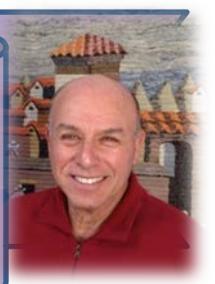

- Program, meals, and lodging:
2/room \$250 ~ 1/room \$280
- Program and meals (no lodging) \$180

Exploring the Edgar
Cayce Health
Remedies
with Jack Rosen

Jack Rosen

Jack Rosen is a Cayce Method Educator, and has been using the Edgar Cayce remedies and teaching people how to use and make them for over fifty years. He was the chairman of the Board of Trustees of the ARE of NY for five years. He has given workshops at this center on Edgar Cayce for the past fifteen years. He has given workshops at the Wainwright House, The Learning Annex, The New Health Expo and been a guest on the Gary Null show. He has been on numerous local cable TV shows in Westchester and Manhattan, NY as well as programs on the radio station WBAI. He will be giving a workshop on **The Edgar Cayce Remedies**, at the ARE of Virginia Beach this July. He is currently working with Nidia Carrero, MD, doing consultations with her, with patients willing to follow the Edgar Cayce protocol.

Modern medical science offers limited help and hope for the many people affected by neurological syndromes such as Parkinson's Disease, Multiple Sclerosis, "Lou Gehrig's Disease" (Amyotrophic Lateral Sclerosis), and others. But some of those who have used the Edgar Cayce treatment plans for these conditions -- including Cayce's mysterious "appliances"-- have reported significant improvement and sometimes complete cures.
