

ARE Mid-Atlantic Annual Retreat June 8 – 10, 2018

Location ~ This year's retreat will again be held on the rolling, 323 acre, tree-lined campus of Shepherd University in historic Shepherdstown, situated in northeastern West Virginia on the banks of the Potomac River. For those with web access, www.shepherd.edu is the place to start for all sorts of facts, maps, directions, and other information about the university and surrounding areas.

Check-in ~ Friday: 4-6:30 p.m. at Shepherd University Student Center.

Lodging ~ All rooms are air-conditioned, dormitory-style, 2 long-twin beds to a room and a shared hall bath. The residence hall has 3 floors and **no** elevator. First floor rooms are limited. If you need a room on the first floor for health reasons, please register early. The university provides linens and towels. However, **you must bring your own pillows and blankets**. For those who might consider residence hall living a bit too "rustic", close-by commercial lodging is available in town. The university website has links to several facilities.

Meals ~ A sandwich buffet will be available to **all** during Friday check-in. There will be 3 meals served on Saturday (breakfast, lunch and dinner) and breakfast only on Sunday. Please indicate on the registration form which type of meals you want; vegetarian, vegan or meat.

Cost (per person) ~ A.R.E. members deduct \$10 per member
Early registration deduct \$15 more

- Program, meals, and lodging:
2/room \$250 ~ 1/room \$280
- Program and meals (no lodging) \$180
- Program only (includes Fri. buffet, snacks and breaks) \$150

After the registration form and payment are received, a confirmation email with additional details and helpful tips regarding the weekend retreat will be sent by email. Be sure your email will receive a message from aremidatlanticretreat@gmail.com so you will get this important information.

Don't miss this life-changing weekend of exploring your own unique soul self and learning how you can apply spiritual principles in the earth, raising your consciousness in the process.

Through regressions, progressions, and self-guided imageries during this Edgar Cayce-focused workshop, you will experience and learn:

- The purpose and meaning of life from our creation as souls to our involution into Earth
- How our souls progress through the laws of karma and grace
- The role of soul groups, soul mates, and twin souls in our spiritual evolution
- How we work through our soul path for our next lifetime—known as "Pre-life Planning"
- Understand the evaluation process known as the "Afterlife Review"
- Learn about Cayce's unique perspective on "Interplanetary Sojourns" that occur in our life in-between lives
- The role our angels, guardians, and council play in our development, and how to access them
- AND understand your unique place in the "grand scheme"! You will also experience a special group hypnotic regression with emphasis on reaching the life-between-lives state and contact with your personal guides.

You will understand the process of hypnosis, regression, and progression and how it can be used for healing and self-awareness—even if you don't believe in reincarnation or future lives! With practical insight, deep knowledge, and humor, Peter will help you explore the possibility of future life contact as Cayce himself did in his dreams. You'll learn about the Cayce information on the nature of the soul and the various levels of consciousness beyond the third dimension and even travel to the Akashic "Hall of Records" and glimpse the record of your own soul's journey!

You will come away from this retreat with not only an intellectual understanding of life purpose, but also a personal, direct experience of where you fit into the divine plan!
